Salaam World Music Ensemble returns to Iowa City for an evening of Near Eastern music, dancing, and dining, hosted by Kahraman Dance. Salaam has toured the US and the Middle East and has been featured on NPR. Last February, they performed at Iowa City's Hancher as members of the Rivers of Sound Orchestra.

Raqsat Salaam (Dance of Peace) was Salaam's 2nd CD release and invokes nostalgia and cultural connection for music aficionados and Near Eastern Dancers alike. The album includes melodies from Egypt, Iraq, Turkey, Israel, and the Arabian Peninsula. Many will recognize arrangements of Mohammed Abdel Wahab and the joy of traditional folk music and instruments.

This event will feature family entertainment including live music and Near Eastern dance performances, as well as regular dinner menu by Trumpet Blossom. Dancers featured will include Farida of Kahraman, as well as local performers.
